5 Reasons to Choose HARTING as your Cable Assembly and Wire Harness Partner:

- 1. We are the experts.** With over 70 years of experience in connector design and development, HARTING is the leader in industrial connectivity and assembly.
- 2. We offer full engineering services.** If your cable is still in the idea or assembly phase, we have a team of engineers who can make it a reality.
- 3. We have facilities in both the US and Mexico** to meet your needs.
- 4. We are able to meet quick delivery needs** due to our global supply chain and local warehouses.
- 5. Our facilities are certified** to UL, ITAR, and ISO standards.
